Accommodation: The retreat will take place in Camerman Hall in the basement of the church at 5th and Veneta. Couples sleep at home. Saturday night dinner is provided but we ask that you bring a sack lunch both days and a snack to share.

Child Care: Breast fed babies can be cared for at the retreat. Babysitting for older children at home or with parish families may be possible for couples unable to make arrangements independently. Please phone for details.

A Mission to Love... Couples who stay successfully and happily married have made marriage their mission. They choose not to 'settle down' but instead adopt a proactive approach to put the fun and delight into being a man and a woman in love. This day and a half parish-based event provides the inspiration and insight that enables each couple to create the lifestyle and marriage they have always dreamed of. Clearly there is a difference between loving and being “in love”. Living in Love offers liberating insight into how differently men and women prefer to achieve intimacy and helps couples get in touch with the resources that draw them to each other and fuel their passion.

Facilitated by parish couples, the weekend is a series of presentations followed by questions for reflection and discussion so that couples can explore the topics together in complete privacy. There is no group discussion or counseling. Topics include: Dreams and Memories • Formation in the Family • Cultural Barriers • Trust • Reconciliation • Affirmation • Signs and Wonders • Living in Love • and Vision.

A mini retreat workshop for married couples designed to energize the romance and renew the excitement of being in love
