ARCHDIOCESAN PLANNING STUDY | Campaign planning study announcement

Over the last several years it has become apparent that the archdiocesan priest pension and post-retirement medical plans are seriously underfunded. Similarly, our women religious must rely on dwindling resources within their own communities to meet their retirement needs. In addition, parishes have their own needs to address.

At the recommendation of the Archdiocesan Finance Council and in dialogue with the Presbyteral Council, the Priest Pension Board and other leadership, Archbishop Sartain has decided to explore the possibility of a major campaign to address the retirement needs we face today and are projected to face in the future, as well as local parish needs.

This planning study is an assessment to gauge support for a major campaign to address some or all of our identified priorities. The study is being administered by outside counsel, the Steier Group, a Catholic development firm. They will survey the entire archdiocese to determine which of our needs are deemed most urgent by parishioners, and identify potential support of a major campaign.

All parishioners are invited visit the Archdiocese of Seattle’s website to learn more about the study’s proposed goals and participate in the study.

To participate in this important study, please go online to www.seattlearchdiocese.org and click on the “Planning Study Survey” link under the Archdiocesan Events and Activities section to learn more and provide comments. Use password: Catholic.
