TOP 10 REASONS
To Send Your Child To Our Lady Star of the Sea School

Catholic schools remain a sound investment for families who take their Catholic faith seriously. Here’s why:

10. Cool Uniforms
At Star your child will wear a school uniform, which provides a sense of order and discipline. Fashion wise, it also levels the socioeconomic playing field, and gives the entire student body a whole new appreciation for Red, White and Blue.

9. Pomp and Circumstance
All K-8 Star Students participate in All Saints Day Living Saints Museum, weekly Friday Masses, Ash Wednesday, daily recitation of the Angelus, and Thursday Visits with Fr. Lappe. Living and loving the Catholic faith is a daily part of what we do at school.

8. Intermural Sports
The Star Saints play Girls Volleyball and Co-ed Cross Country in the fall, Boys and Girls Basketball in the winter, and Co-ed Track in the spring, which gives them an opportunity to learn good sportsmanship and develop their athletic abilities.

Is there anything more beautiful than witnessing players and coaches gather before a game to pray?

7. Affordability
Don’t assume that you cannot afford a Catholic education for your children at our school. Tuition can be expensive, but you’d be surprised at how hard we will work so that you can afford Catholic Education. We offer tuition-assistance programs and scholarships for parish families who need help. It’s worth looking into.

6. Discipline
When you send your kids to Star you are becoming part of a community that believes the same things as you when it comes to discipline and what it means to be virtuous.
TOP 10 REASONS
To Send Your Child To Our Lady Star of the Sea School

1. **A Christ Centered Education!**
   A Catholic education at Star of the Sea offers your children a place where they can grow in friendship with Jesus Christ at their school.

2. **Great Academics**
   We offer intense core instruction in reading, language, mathematics, science and social studies, as well as Spanish (gr. K-7), Latin (gr. 8), Music (K-8), and PE to meet our goal of educating the whole child: mind, heart, and spirit.

   In addition, Our Lady Star of the Sea students currently score above the National Norms for the Measure of Academic Progress testing in Reading, Language Usage, Math and Science for grades 2-8. All of our 8th graders that apply to Catholic High Schools are accepted, and many of those that go onto public high schools are ready for honors and AP classes.

3. **Dedicated Teachers and Administrators**
   Where else will you find such talented and underpaid individuals entrusted with the academic and moral formation of your children?

   The Sisters and laity who share their gifts of teaching with your child will be among the most influential persons in your child’s life — and they’re not in it for the money, I assure you.

4. **Dominican Sisters**
   Your kids get to witness the Sisters who live a life completely dedicated to Serving Jesus Christ and his Church daily in the classroom. The Sisters have consecrated their lives to Christ and to serving your kids in education. It’s not just a full-time job for them — it’s their life!

5. **Automatic Backup**
   You are the primary teachers of your own kids, mom and dad, but you need support. Star of the Sea School can provide independent affirmation of the moral values and cardinal virtues you want to instill in your children. What’s more, parish school children will see their friends and classmates at weekend Mass, which may make them more willing to attend without a fuss. That’s what we call “positive peer pressure.”

6. **Come visit us! OPEN HOUSE FEBRUARY, 6 5:00-7:00 PM**

**Living in Love**

February 10-11, 2018

Please treat yourselves to this extraordinary experience for the sake of our community, yourselves, and your children.

**Time Table:** Sat 8 am - 9 pm; Sun 8:00 - 4:00 PM

**Cost:** $100 per couple. Includes all materials, refreshments, and a romantic Saturday evening meal. Full payment is required to secure your reservation (fully refundable or transferable). Discounts are available in special circumstances and payment will be waived upon request.

**Accommodation:** The retreat will take place in Camerman Hall in the basement of the church at 5th and Veneta. Couples sleep at home. Saturday night dinner is provided but we ask that you bring a sack lunch both days and a snack to share.

**Child Care:** Breast fed babies can be cared for at the retreat. Babysitting for older children at home or with parish families may be possible for couples unable to make arrangements independently. Please phone for details.

**A Mission to Love...** Couples who stay successfully and happily married have made marriage their mission. They choose not to ‘settle down’ but instead adopt a proactive approach to put the fun and delight into being a man and a woman in love. This day and a half parish-based event provides the inspiration and insight that enables each couple to create the lifestyle and marriage they have always dreamed of. Clearly there is a difference between loving and being “in love”. Living in Love offers liberating insight into how differently men and women prefer to achieve intimacy and helps couples get in touch with the resources that draw them to each other and fuel their passion.

Facilitated by parish couples, the weekend is a series of presentations followed by questions for reflection and discussion so that couples can explore the topics together in complete privacy. There is no group discussion or counseling. Topics include: Dreams and Memories • Formation in the Family • Cultural Barriers • Trust • Reconciliation • Affirmation • Signs and Wonders • Living in Love • and Vision.
