In your kindness and charity towards others, please pray for the sick, the homebound, the imprisoned, the unemployed, all our military overseas, those waiting for test results, and those who are held in our hearts: Rogene Henderson, Anne Becker, Fr. Boniface, Fr. Justus, Fr. Rueben, Fr. Januario, Fr. Ambrose, Rosary Makers, Lisa Keim, and the residents at Bay Pointe Retirement Community

For the repose of all the souls who have died. May God grant them the joy of eternal life and peace for their families.

PRAYING FOR PRIESTS: Most Holy Trinity, I offer my Holy Communion today for the priests in purgatory who have no one to pray for them. Lead them to union with your most Merciful Heart. We entrust all priests to the Immaculate Heart of Mary.

Rachel’s Corner—Hope & Healing After Abortion

“Let us remember Peter: three times he denied Jesus, precisely when he should have been closest to him; and when he hits bottom he meets the gaze of Jesus who patiently, wordlessly, says to him: “Peter, don’t be afraid of your weakness, trust me.” Brothers and sisters, let us never lose trust in the patience and mercy of God!” —Pope Francis

Come on a Rachael’s Vineyard™ Retreat and hear your name spoken by Him as He says those words to you: Don’t be afraid of your weakness, trust me.”

A Christ Centered Education!

The primary reasons that parents give for sending their children to Catholic schools are: academic excellence, emphasis on Catholic values, healthy social relationships, a supportive environment, and safety.

The emphasis on external discipline in Catholic schools teaches internal self-discipline. Students are expected to accept responsibility for their actions, to respect others and to seek holiness in the context of the Gospel.

The goal of a Catholic education is to help children mature into Christ-like people and to be friends of Jesus Christ. The religious formation of children begun at home is continued in Catholic school.

Parents are a child’s first teacher. At Catholic schools, parents take an active role in their children’s education. When problems come up, parents are contacted and asked, “How can we work together to solve this problem?”

Catholic school teachers expect every student to achieve. Over time Catholic school students come to internalize this value and their performance improves, enhancing their self-esteem.

Teachers, staff, coaches and volunteers share & model the same values children are taught at home.

Parents provide thousands of volunteer service hours to the school. Parents assist with everything from lunchroom supervision, field trips & classroom aides, to raising funds, painting classrooms and supporting new families.

When you send your child to a Catholic school, your family becomes members of a special community. Like your children, your family will be enriched by the opportunity to grow in faith.

99% of Catholic secondary school students graduate and 97% go on to college. Preparation for college is a Catholic School goal and our graduates are often pursued by prestigious colleges.

Reverence for the human dignity of every person comes from recognizing Christ in self and others.

More than “Drug-and Gun-free zones”, Catholic schools strive to be “Christ-centered zones”.
