VIRTUE OF THE MONTH:

Star of the Sea has begun a school wide virtue program with the hope of teaching its students how to live a life of virtue and strive to become a saint. Each month we will be focusing on a new virtue. This month we will be focusing on...

Justice
Being fair & giving each his due

Saints who model this virtue:
St. Anthony of Padua became well-known for justice, because when a book of his was lost, he prayed that he would find it. In fact, it had been stolen and when St. Anthony prayed, the thief brought it back!

SCHOOL EVENTS:
⇒ April 2—6
- Spring Break, No School
⇒ Thursday, April 12
- Net Retreat for Grades 6-8
⇒ Friday, April 20
- Grandparents Day
- SCOPE Auction in Gym at 5pm

TRIPLE CROWN—SCOPE Auction Fund-an-Item

In keeping with our theme of “A Night at the Races”, the Fund-An-Item at this year’s SCOPE Auction is Triple Crown. Fr. Lappe, Principal Jeannette Wolfe, Sr. Mariana as well as the School Commission and faculty had a hand in defining three areas of need for our school:

We plan to update our Middle School Math and Social Studies Curriculum. A team of parents and teachers will help evaluate options and make recommendations for new courseware. We will also acquire new Science Curriculum for grades 3 – 5.

To further demonstrate that we are a Christ-centered school, we hope to build an adoration chapel so the students, teachers and staff can have the opportunity daily to sit before Jesus in the tabernacle.

As a school family, we start each day in the gym with an assembly that includes prayer, the Pledge of Allegiance, and important school news. An audio-visual upgrade will help with that daily event, not to mention all the other parish activities that happen in our gym, from liturgical processions to concerts.

PIONEERS ON THE OREGON TRAIL

Playing settlers starting for Oregon in 1846, our 4th grade students determine which supplies to carry west, keep diaries, make trail decisions, and write reports to gain credits that move their wagons across a map. Fate Cards interject problems such as weather, wagon breakdowns, and wild animals. This decision making simulation builds teamwork and develops collaboration skills.

The students have traded with the Indians, survived snakebites and decided what valuables to leave behind as they strive to make it to the Oregon Coast before Easter and Spring Break.
Basketball Tournament—Congratulations to our athletes!
Both boys and girls teams placed 3rd in the tournament.
