VIRTUE OF THE MONTH:

Star of the Sea has begun a school wide virtue program with the hope of teaching its students how to live a life of virtue and strive to become a saint. Each month we will be focusing on a new virtue. This month we will be focusing on... 

Justice
Being fair & giving each his due

CCC1807:
Justice is the moral virtue that consists in the constant and firm will to give their due to God and neighbor. Justice toward God is called the “virtue of religion”. Justice toward men disposes one to respect the rights of each and to establish in human relationships the harmony that promotes equity with regard to persons and to the common good. The just man, often mentioned in the Sacred Scriptures, is distinguished by habitual right thinking and the uprightness of his conduct toward his neighbor.

SCHOOL EVENTS:

⇒ Friday, April 27
- Coffee w/the Principal after 9am Mass in Cntr Rm 4 for parents of 3-5 graders

Middle Schoolers’ Thoughts on NET Retreat:

This past week, our middle schoolers had the chance to go on retreat at St. Cecilia’s parish with the visiting NET missionaries. NET, or National Evangelization Team, travels around the country all year hosting retreats, and our youth were extremely excited about going on this retreat with them.

Ella Hassett, 7th grade, remarked that “the drama was extremely relatable with how people tell me what I should be doing, but what matters is following Jesus.” Hearing powerful testimonials and spending time in prayer with the missionaries praying over each of the youth were some of the highlights from the retreat.

Next Friday, April 27, parents of students in 3rd, 4th, and 5th grades are invited to have coffee with Mrs. Wolfe after the 9:00am Mass in Center Room 4, across the street from Church.

It’s a great opportunity to meet other parents and to ask any questions about this school year or the next.
Star’s sixth grade students will attend Camp Hamilton’s Environmental Education Program to experience science through a Catholic lens, using Pope Francis’ encyclical Laudato si. This 4-day residential camping program calls students, through the voice of our Holy Father, to apply the science lessons and environmental stewardship beyond the old forests of Camp Hamilton to the student’s school, church, and community.
