Greetings from Uganda.

We have now started with a four classroom block with an office and a staff room at St. Francis primary school. We are very close to roofing (see photos) the main hall/examination hall we are building for St. John’s primary school. St. Francis is the one with more kids but we need a hall at St. John’s primary school so that we get authorization to sit national exams. I am very confident that we shall finish both and the remaining money will go to other school projects.

Again thank you and God bless you.

-Fr. Justus Kiiza

**TEACHER FEATURE**

**Tonya Kilgallen**  
Our New P.E. Teacher

You may recognize Mrs. Kilgallen as Liam’s (5th) and Quinn’s (K) mom but this year she will also be Star’s P.E. teacher. Mrs. Kilgallen grew up in upstate New York and studied at Embry Riddle Aeronautical University where she earned a Masters degree. 
She moved to Star of the Sea from Italy. Her youngest, Quinn, was baptized at the Vatican!

Her family of five enjoy the great outdoors; paddle boarding and other water sports are family favorites. The children are involved in kids Crossfit, jiujitsu and gymnastics.

Previously, Mrs. Kilgallen worked in the airline industry in revenue management, charter marketing and aviation safety departments. Lately you may have seen her coaching gymnastics birthday parties! She says she decided to become a teacher because she wanted the “opportunity to inspire and motivate children through physical fitness while always instilling a love for God and the Catholic faith.”

“My best memories from elementary school were the annual field days! Being involved with an entire day of gym class was fun and brought the entire school together through hard work and determination.” She believes that being physically active is essential for a healthy and successful life.

She’s excited to teach in a Catholic school. “Our faith keeps my family grounded. Teaching at Star encourages me to be a better Christian and role model to my children and students.”

**WHAT SOME OF OUR STAFF DID ON SUMMER VACATION**

- **Mrs. Carol Kennedy** (Library, Latin and Literature) “read numerous books, participated in Adventures with Teresa Shetler, and visited with a lot of family.”

- **Mrs. Gio Hawkins** (Pre-K 3&4) traveled throughout the United States. She “drove to Tennessee, with stops in Montana and Minnesota.” She also spent time in California and Idaho.
• “Our family, all 15 of us, celebrated the 4th of July at my sister's place on the Columbia River, with a BBQ and lots of beautiful fireworks! I also read several books, swam and boated in Lake Chelan, and got to garden, sew, and enjoy the sun!” – Jeannette Wolfe (Principal)

• **Ms. Sharon LaFrance (2<sup>nd</sup>)** “visited my family a bunch, went to several Mariner’s games, accomplished a handful of home projects, read a few books, and entered my quilt and a couple of photos in the fair.”

• “This summer, I had a lovely visit with my family in Wisconsin, caught up with sisters in Nashville, summitted Mt. Greylock (Massachusetts’s highest peak, 3,489 ft.) and Mt. Washington (New Hampshire’s highest peak, 6,288 ft.) and delighted in studying the Gospels at Providence College in Rhode Island.” – Sister Maria Caeli (Middle School Religion)

• “While visiting my family, we enjoyed a lovely afternoon boating on a lake. I also had a delightful time with my Dominican sisters at our Motherhouse.” - Sister Mariana (Kindergarten)

This year Our Lady Star of the Sea School will be Christ-Centered in a new and meaningful way. Over the summer, dedicated parishioners have been transforming the former resource room into an Adoration Chapel. The tabernacle is on its way and finishing touches are in progress. We expect the chapel to be completed by mid-September and for this to be transformational for our school.

Thanks to everyone who supported this Fund-An-Item project at our SCOPE Auction last April.
CONSTRUCTION PROJECT UPDATES

CAMERMAN HALL construction is scheduled to be complete on September 20. This ACA rebate project will update our kitchen appliances and exhaust system, bringing the kitchen up to code. We have made arrangements with the contractor that will enable us to continue to offer Mary’s Place meals to the community during construction.

FULFILLING THE VISION construction is on schedule to finish the end of December or beginning of January. The gym will be available to the school by November 1 at the latest. Meanwhile, band and PE will have alternate locations. The elevator and Veneta Ave parking lot projects are in design phase to submit to the city for permitting with a tentative start date in March.

If you haven’t yet had an opportunity to support this project, please join us in Fulfilling the Vision for a more attractive and accessible parish campus. Make a one-time or recurring pledge through 2020 to ensure we see the Vision through to completion! For details, visit our website: www.starofthesea.net
