WORDS FROM OUR FELLOW SISTERS:

“Multiple ministries of this parish have been opened up to me because of Welcome! Welcome has also challenged me to pray with the Bible on a daily basis! Thank you Welcome!”

- Katelynn Doherty

“What I like most is spending time with Catholic Women!”

- Rose Ryan

“The beautiful gift I received from the Welcome Weekend was seeing women of the parish truly serve the Lord by serving us!”

- Kathleen Salas

“Welcome called me to follow His will, and in listening and following I am growing closer to Him!”

- Joni White

“Due to the follow-up studies, I now try to examine my conscience before I go to bed each night. I also have been much more mindful and attentive during Mass.”

- Connie Schwegel

OCTOBER 20-21, 2018
Our Lady Star of the Sea Parish

Visit www.starofthesea.net for details
VIRTUE OF THE MONTH:
Star of the Sea has a school wide virtue program with the hope of teaching its students how to live a life of virtue and strive to become a saint. Each month we will be focusing on a new virtue. This month we will be focusing on...

Hope
Trusting in God’s loving plan

Christians adopted the anchor as a symbol of hope in the resurrection. The virtue of hope enables us to suffer with joy in this life, knowing that even when life is difficult, the Lord will use our trials for our salvation.

We have this hope, a sure and steadfast anchor of the soul.
Hebrews 6:19

SCHOOL EVENTS:
Monday October 8
Columbus Day, NO SCHOOL

OUR LADY STAR OF THE SEA CATHOLIC SCHOOL:

Tissue Test

Want the best bang for your buck? The fifth grade students developed an experiment in order to determine which brand was the strongest.

Question – What is the strongest brand of tissue?

Hypothesis – Each student framed a hypothesis

Experiment – A step-by-step experiment was designed by teams of students

Observation – There were 7 teams testing. Different teams used different weights.

Analysis – The strength of each tissue varied according to brand.

Conclusion – Puffs brand were consistently stronger.
Math Games Build Math Brains

The 3rd graders played “The Place Value Game” to learn rounding up or down to the nearest ten or hundred, and the place value of decimals. Three or four students would go to the front of the class and hold their numbers up when asked which number represents the hundreds, tens or ones place.

Then a student would pick classmates with zero and other appropriate numbers to round the number to the nearest ten or hundred by moving students with the right number to the proper place.

Reading Buddies

For a half hour each week, students from an upper grade are paired with a younger student as reading buddies. The older student reads to the younger and gains fluency while boosting the reading ability of the younger. Fifth Graders read to Second Graders and Fourth Graders read to Kindergarten students.
