VIRTUE OF THE MONTH:
Star of the Sea has a school wide virtue program with the hope of teaching its students how to live a life of virtue and strive to become a saint. Each month we will be focusing on a new virtue. This month we will be focusing on...

Studiousness
Seeking knowledge to grow closer to Truth

Saints who model this virtue:

ST. TERESA BENEDICTA
St. Edith Stein (Teresa Benedicta) was a brilliant woman who, in her 20’s, joined Europe’s leading philosophers. One day, she picked up the autobiography of St. Teresa of Avila in a friend’s library and couldn’t put it down. “This is the truth!” she told herself. For Edith, that meant irreversible change. She entered the Carmelites as Sr. Teresa Benedicta of the Cross. She led a deliberate life of holiness and self-offering.

SPORTS, SPORTS, SPORTS!

The cross country team had a very fruitful season, winning two out of four league meets. A special recognition goes out to Camryn Bishoff (7th grade) and Cameron Quebral (5th grade) for coming in 1st place in their respective divisions in all four meets. Special thanks to coaches Allie Trabert and Dani Juarez for leading this group of 20 runners to great success on the courses!

Soccer Team’s Hard Work Pays Off:
The soccer jamboree took place on October 5 and, despite the steady rain, was a great success! The Saints won their first game against Peace Lutheran, 2-0, and played hard in their other three games. Special thanks to Mr. Powell and Blaise Boyle (Star alumni) for coaching our athletes. Based on the success of this jamboree, we are hopeful to bring soccer as a regular sport in the future.
We welcome 2 new first grade students to our school, Grayce Neptune, who comes to us from Omaha, Nebraska, and Joseph English, who comes to us from Poulsbo, Washington. We are so glad you are here!

Grayce Neptune
