VIRTUE OF THE MONTH:
Star of the Sea has a school wide virtue program with the hope of teaching its students how to live a life of virtue and strive to become a saint. Each month we focus on a new virtue. This month we will be focusing on...

Humility
Accepting your limitations and God-given talents.

ST. PIO OF PIETRELCINA
Padre Pio was a Capuchin friar who is best known for spiritual gifts received from God, including the stigmata & ability to read souls & heal physical illnesses. Because God worked miracles through Padre Pio, many people proclaimed he was a living saint, which was very difficult for him, because he only wanted to be a simple, humble priest.

NATIVE AMERICAN TRIBAL VILLAGES

Part of our studies in 5th grade include the study of North American Native American tribes. Here are a couple examples of the dioramas the students made to showcase the typical villages of the various tribes they studied.

WITNESS OF THE WEEK

The Witness of the Week Program forms the students to notice virtuous behavior among their peers and highlights concrete examples of how we can live a virtuous life. When either a student or staff member sees a student perform a virtuous act, they can nominate that student.

Ella Hassett (8th Grade)
Ella demonstrated the virtue of generosity by carrying books for another student who is on crutches.
