VIRTUE OF THE MONTH:
Star of the Sea has a school wide virtue program with the hope of teaching its students how to live a life of virtue and strive to become a saint. Each month we will be focusing on a new virtue. This month we will be focusing on...

Humility
Accepting your limitations and God-given talents.

Saints who model this virtue:

ST. JOHN THE BAPTIST
John the Baptist had a specific role ordained by God as forerunner of Jesus. In Luke 1:17 the role of John is referred to as being "to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord."

PUMPKIN MATH

The First Graders are continuing to learn the concept of estimation, this time using a pumpkin! They passed around the pumpkin to estimate its mass, girth, and number of seeds.

Some of them thought it was quite heavy!

WITNESS OF THE WEEK

The Witness of the Week Program gives teachers and students a chance to notice a student exhibiting any of the virtues. The students are nominated weekly, and one choice is made by a team of teachers. Last week’s witness of the week was:

Finnegan Read

Finn exhibited the virtues of Charity and Friendship when he helped a friend clean up their supplies without being asked or noticed.
Anne-Marie and our four children, at the time, moved to the US from Sweden after my medical licensure, in order to give our children the opportunity for a Catholic education, because with only 1% Catholic in Sweden, there was only a single Catholic grade school in all of Stockholm, a city the size of Seattle. Little did we know the plans God had for us.

In 1990 we ended up in Bremerton through a long process, and have stayed here ever since. All of our seven children went to Catholic grade schools, and all went to Catholic high school, 5 went to Catholic Universities, and 2 to Catholic graduate schools. We have been truly blessed, especially due to Our Lady Star of the Sea. Our 2 youngest have gone from Kindergarten through eighth grade here at Star and they have been given wonderful background in faith.

But the reason for this message is to congratulate our youngest, Marie (SASA) Ferman on her recent journey of faith.

After graduating from Catholic University with a theology degree, Sasa worked 4 years teaching catechism and evangelization in a parish in Maryland, and was able to finish her Masters in Theology at Christendom College Graduate School of Theology in Alexandria this past summer. This led her to a new position at the United States Conference of Catholic Bishops as their new Specialist in Catechism and Evangelization. We ask for your prayers for her and we thank the Lord for her being chosen to work in this field. Without Star of the Sea School, it would not likely have happened. We also ask you to pray for Michael Ferman who has moved to St. Martins Abbey in Lacey.

-William Ferman
