STEVE BOLLMAN

That Man is You! was developed in 2004, by Steve Bollman, a former energy derivatives trader from Houston, Texas. It quickly spread throughout the United States establishing itself as one of the premier men's program in the Church today.

The program is divided into two 13 week sessions. The Fall session emphasizes the development of the vision of the Scriptural man, especially in his relationship to his family and society while the Spring session emphasizes the practical means of becoming that man.

DISCOVER

- The Scriptural vision of man, including the four leadership roles entrusted to him, and the overwhelming scientific evidence in support of this vision.
- The five personal leadership traits necessary to fulfill authentic male leadership.
- Modern society's attack on authentic manhood and the three major obstacles to fulfilling this vision of man.
- The three means for discovering God's presence in your life.
- The wonderful renewal God has in store for men, their families and greater society.

EXPERIENCE THE TRANSFORMATION AS YOU TRAVEL THE ROAD OF DISCOVERY

- Steve Bollman transitions us from the Fall Semester into the spring experience explaining how the Will of God purifies our Will and the challenge of Sexual Purity in Today's Culture. The final series identifies the need for a Band of Brothers that live their lives as a gift for others.
- A dynamic three part series that delves into the myths of the gender neutral world; God's design for humanity; marriage as an adventure; and the process of relearning in this culture.
- Dr. Baglow leads a 3 part series with information about the Crises of Faith and Reason; the question of does modern science conflict with the bible; scientific cosmogony; and science pointing beyond itself.
- John Pridmore returns with a real life story of Mercy - a mercy that transforms us and gives us freedom - a chance to see ourselves as God sees us.
- Father Pivonka returns in a dual issue with two sessions from the "Wild Goose" series about having a relationship with the holy spirit; the Holy Spirit being present in difficult times; and giving witness to Jesus.
- John Sablan returns with an exhortation about the need for Self-Control and Self-Mastery in the story of the Tale of Two Kings

VIRTUE OF THE MONTH:

Star of the Sea has a school wide virtue program with the hope of teaching its students how to live a life of virtue and strive to become a saint. Each month we focus on a new virtue. This month we will be focusing on...

Fidelity
Being faithful to promises and commitments

Saints who model this virtue:

ST. CECILIA
Cecilia promised to give her whole life to God and never get married, but her parents asked her to marry a wealthy young man named Valerian, and she always obeyed her parents. She taught her husband about Jesus, and both gave their lives to God.
