A Presentation on

Is the Shroud a Medieval Forgery?
The Shroud of Turin is the most researched artifact in human history and even with all the most advance scientific methods of observation and tools to test of modern science, they cannot explain how the image of a man was created. They can only thus far determine with certainty WHAT IT IS NOT!

- **It is NOT a painting.**
  No paints, pigments, or dyes have been found on the image bearing thread fibers with 25 solvents tested.

- **NOT a scorched image from a heated statue.**
  Does not fluoresce under UV Illumination.

- **NOT a rubbing of iron oxide.**
  Image does not consist of any iron oxide.

- **NOT some form of medieval photograph.**
  Not produced by any light process and with no silver salts formed.

- **NOT produced by an artist of any kind.**

*There are no chemical or physical methods known which can account for the totality of the image.*

THE SCIENTIFIC EVIDENCE OF THE

SHROUD of TURIN

WITH CRITICAL ANALYSIS OF

MEDICAL FORENSICS & HISTORICAL

DATA, OBSERVATIONS & HYPOTHESES

Presented by artist/researcher Larry Galen Larson, ACHS
Certified by the American Confraternity of the Holy Shroud

Presenter Larry Galen Larson was invited to be among the first-ever class of presenters to be certified at The Shroud Center of Colorado studying under Dr. John & Rebecca Jackson. In 1978, Dr. Jackson lead the famous STURP project, a team of 33 American scientists to conduct the most comprehensive scientific research to date of the Shroud, which is the most researched artifact in all of human history. Larson attended the International Shroud Scientific Research Conference in Pasco, WA in 2017. He also traveled to Turin, Italy to view the Shroud at the 1998 Shroud Exhibition. He was certified by the ACHS in 2017.

April 28th, 1:30 PM - Our Lady Star of the Sea
Cameron Hall (church basement), 500 Veneta Ave, Bremerton
An Easter Prayer

My Lord, Jesus,
You have risen to new life!
Give me new eyes with which to recognize your presence in the world around me.
Sharpen my vision so that I see beyond the ordinary events of each day and into the extraordinary reality of your grace.
Brighten my view of the world with renewed hope in the coming of your Kingdom.
Soften my gaze so that I view others with the kind tenderness and compassion you showed to so many.
May each day of this Easter season provide glimpses of your glory.
In your sacred name, I pray.
Amen.

WITNESSES OF THE WEEK

This week’s Witnesses of the Week are Max Berg and Finn Bray (6th Grade)

Mason and Finn were nominated by Sr. Mariana for demonstrating the virtue of reverence when they used the hymn card at Mass to follow along and sing. Way to go Mason and Finn!

ENVIRONMENTAL CAMP

Last week, our 6th grade students spent 4 days at Camp Hamilton in Monroe, WA. During this time students participated in an Environmental Education program, in which they used scientific observation and investigation based in Catholic social teaching and stewardship to learn more about the environment.
