VIRTUE OF THE MONTH:

Star of the Sea has a school wide virtue program with the hope of teaching its students how to live a life of virtue and strive to become a saint. Each month we focus on a new virtue. This month we will be focusing on: Diligence

Doing your best & working hard until you’re finished

Saints who model this virtue:

ST. ANDRÉ BESSETTE

André was the son of a wood cutter and all his life he worked very hard. When he became a religious brother, he was assigned as doorkeeper at Notre Dame college in Montreal due to his frail health. Among his many duties, he greeted visitors and attended to their needs. People who were sick came to André for help. He would pray with them, and many were cured!
